

Meeting Minutes from March 5, 2007 were found to be in error and were corrected as follows:

It was the understanding of the Board that the committee positions appointed at the last meeting were agreed upon by the Board and were official at the conclusion of the meeting. These appointments were as follows:

Finance Comm. Cecil Watkins, (the chairperson will be the Treasurer)
Publication Comm. Anthony Dyches-Chair, Ivory Johnson will help
Membership Comm. Mary Quarles - Chair
Trails & Rec. Comm. Ray Bishop- Chairman
SETC Comm. Jim Edwards -Chairman
Education Comm. Nicole Cunningham - Chair, Linda Klein & Tim Sigmon will help
Youth Comm. Linda Klein- Chair, assist by Nicole Cunningham
Show Comm. Linda Klein- Chair, Mary Quarles to help
Annual Meeting Comm. Ellen Hutto- Chair, Cecil Watkins will help
Legislation Comm: Tim Sigmon- Chairman, Mary Quarles & Linda Klein will help
Public Relations. Marsha Hewitt, Cecil Watkins will help
Nominating Comm. Cecil Watkins-Chairman

This list is different from what showed up in the minutes submitted by President Anderson. The Board had assumed the list created at the March meeting was official since it was handled the same way it had been done the prior year. The only contested position was Trails and Recreation, which was the only reason it had come to a vote. No other appointments had any opposition.

Ray Bishop said that the appointments had not been officially voted on. He said he had taped the last meeting and it was not on the tape. He suggested that the board officially approve those who were appointed for these positions at the last meeting.

Cecil Watkins motioned that the committee appointments listed above (which were agreed upon at the last meeting) be accepted. Motion was 2nd by Jim Edwards. All voted in favor with no opposition.

The minutes were also corrected to add that Linda Klein and Nicole Cunningham were to speak with Laurie Funderburk in Dist 2. concerning her feelings and views on the Promotion Bill.

A motion was made by Cecil Watkins and 2nd by John Conner that the minutes as corrected be approved. All voted in favor with no opposition.

These corrections will be attached to the original minutes for the March 5 meeting with the approved list of committee personnel replacing those shown on the original minutes.

Sincerely;
Kaye Watkins
